MATERIALS LIST

Jerry's Artarama in Raleigh has excellent prices - often half or less of list price. Their online store is very easy to order from. <http://www.jerrysartarama.com/all-products> You can - of course - get comparable materials elsewhere, but if you don't already have your supplies, I suggest Jerry's. I have listed their catalog numbers and prices below. Those of you who already have paper, brushes, paint and a palette, just bring what you have. Please feel free to email me if you have questions. wayview@triad.rr.com

Paper -

- (1) Arches 140 lb. cold press pad, 12 sheets. 9 x 12 is 10.90 (Jerry's 55087)
- (2) Arches 140 lb. cold press pad, 12 sheets, 10 x 14 is 14.93 (Jerry's 55088)

Brushes - Silver Black Velvet watercolor brushes are wonderful.

Series 3000S Round #4 (Jerry's 38090) \$7.29 But any good quality watercolor brush size #4 is fine.

Paint - For beginners I suggest the following:

Turner Concentrated Artist's Professional Watercolor set of 18 colors (Jerry's V19240) \$19.99

Palette Either of these is fine.

- (1) Mijello Jerry's V01999 \$11.19
- (2) Creative Mark Folding Plastic Palette (Jerry's 13461) \$3.99

TOTAL for least expensive options. \$42.17

Please also bring a small packet of kleenex and a jar with a lid to hold water. If you want to work from your photos, please bring good quality prints or an iPad or Laptop. Cell phone images are too small.
